Serial No.

Letter No. D 2. C. 262/53-4 & 22-9-54 from the chairman, M.T.B requesting sanction to construct 12 more model houses in Karemanpura.

1) The proposal to construct 12 model houses (at a cost of Rs 48,000) in Karemanpura was sanctioned in GO No. 16478-81/J.T.B. 18-53-488 & 12-3-54. The estimate sanctioned already is received herewith.

2) The present proposal is for construction 12 more model houses at the same cost, for reasons stated in the letter of 22-9-54 now received. The cost is proposed to be met out of the extension funds, pending reimbursement by the sale of these houses. No fresh estimate is received for these additional 12 houses. The same ~~esti~~ houses would perhaps be constructed based on the estimate sanctioned already. The proposal may perhaps be approved with instructions that fresh tenders should be called for for the construction of these twelve additional houses & work to be executed at the lowest tenders rates. is not clear. He requests orders of Govt to the proposal to construct 12 houses + distribute the work to the tendered contractors at the accepted rates in force". According to the estimate sent, the 12 houses cost Rs 48000/—. It is better to call for fresh tenders and entrust the work to the lowest tenderer. Advantage of falling Prices must be taken. Therefore the Chairman will be requested to call for tenders and entrust the work to the lowest tenderer after approval of Govt is obtained. This will avoid his entrusting the work in anticipation of sanction of Govt

The 12 house for which sanction has been given may be completed. So far as the additional 12 house are concerned separate estimate may be prepared and fresh tenders called for. It is likely that we may be able to get lower rate.

SIR,

Subject : Proposal for construction of 12 additional model houses in Karunapura, Mysore.

Adverting to Government Order No.L.16478-81/I.T.B.18-53-18 (48) dated 12-3-1954 sanctioning an estimate for Rs.48,000/- for constructing 12 model houses at Karunapura, at Rs.4000/- each, I write to state as follows:-

On further investigation of the area, where the model houses are at present under construction, it is found that 12 more model houses might be put up, to give a better formation to the layout and to afford better view to the main road on either sides of the sites referred to above. There is much demand for built houses in this area and the construction of 12 more model houses will benefit the residents of that locality. The proposal has also been approved by the Trust Board in its resolution No.173 dated 25-8-1954 (a copy of which is herewith enclosed for ready reference).

The proposed cost of the work will be met out of the extension funds temporarily and can be realised from the sale of the houses. The proposed layout plan where the model houses are proposed to be built together with a copy of the sanctioned estimate is also herewith enclosed for reference and retransmission.

Under the above circumstances, I request you kindly to obtain and communicate the sanction of Government to the proposal at an early date.

Yours faithfully,

S. Linganna
